**WHAT'S NEW:**

- All wines are 100% certified organic and made from grapes only grown on the Kalleske family farm, established in 1853. The wines are genuine family estate wines exhibiting the authentic characters of the Kalleske vineyard and hand-made by the Kalleske family.
- Kalleske named as "One of Australia's Top 25 Vineyards" by Australian Sommelier Magazine.
- According to Robert Parker Jr, Kalleske is "one of the Barossa's top growers" and "an up and coming superstar estate that merits considerable attention" and was "one of the greatest revelations of his Australian tastings this year... turning out magnificently concentrated, full throttle reds that are indigenous to the top echelon of Southern Australian producers. In fact there is nothing like these wines anywhere else in the world. Readers should make every effort to get in on the ground floor as I predict fame and fortune for Kalleske."
- James Halliday lists Kalleske as a "5 star winery, an Outstanding winery regularly producing exemplary wines" and as "one of the Ten best new wineries in Australia" and one of the "Best wineries of the Barossa Valley region".
- Kalleske named as "the most exciting new brand from the Barossa in 20 years" by Campbell Mattinson of Winefront.
