WHAT'S NEW:

- In 2006, a Red Nectar Old Vine Shiraz was carefully crafted and is now looking sensational and maturing in barrel. Made with fruit from the family estate, grown on gnarled, ancient vines, this is a release worth waiting for – watch out for it in 2008. In the 2007 vintage, fruit will be selected from our Ebenezer vineyard for a Shiraz produced on the red clay renown for its flavor producing intensity. Watch for this release in 2008 also.
